

Rajput Brothers

Premium Perfumes & Nourishing Hair Oils

Carefully crafted for confidence and care

Our range of perfumes and hair oils is designed to enhance your daily routine with quality, elegance, and trust. Each product reflects our commitment to excellence and customer satisfaction.

Rajput Brothers

Our Perfumes -

Fragrances that define your presence

Our perfumes are thoughtfully crafted to deliver long-lasting and captivating fragrances. Each scent is designed to reflect confidence, elegance, and individuality, making it suitable for both everyday wear and special occasions. Blended with premium-quality ingredients, our perfumes offer a balanced and refreshing aroma that stays with you throughout the day. From fresh and light notes to deep and intense tones, our collection is created to match every personality and mood.

Rajput Brothers

Arabic collection

Rich, bold fragrances inspired by timeless traditions

Our Arabic Collection is crafted for those who appreciate deep, luxurious, and long-lasting fragrances. Inspired by traditional Middle Eastern perfumery, these scents are intense, elegant, and unforgettable.

Blended with warm woody, spicy, and oriental notes, each perfume delivers a powerful aroma that leaves a lasting impression. Designed for special occasions and confident everyday wear, the Arabic Collection reflects strength, sophistication, and heritage.

Rajput Brothers

Premium Collection

Refined fragrances for a sophisticated lifestyle

Our Premium Collection is crafted for those who seek elegance, balance, and lasting impressions. Each fragrance is carefully developed using high-quality ingredients to deliver a smooth, rich, and long-lasting scent experience.

Rajput Brothers

French Collection

Inspired by elegance and timeless sophistication

Our French Collection is designed for those who appreciate subtle luxury and refined fragrances. Inspired by classic French perfumery, these scents are smooth, balanced, and effortlessly elegant..

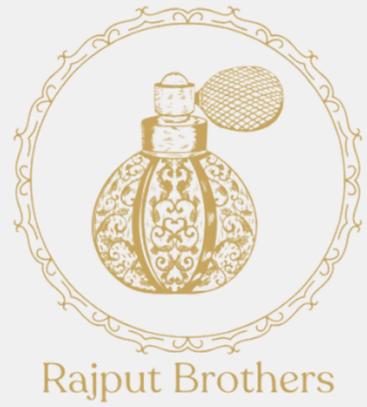

Rajput Brothers

Royal Collection

Fragrances crafted with power and prestige

Our Royal Collection is created for those who carry confidence, authority, and refined taste. Each fragrance is designed to deliver a rich and commanding presence, leaving a strong and lasting impression.

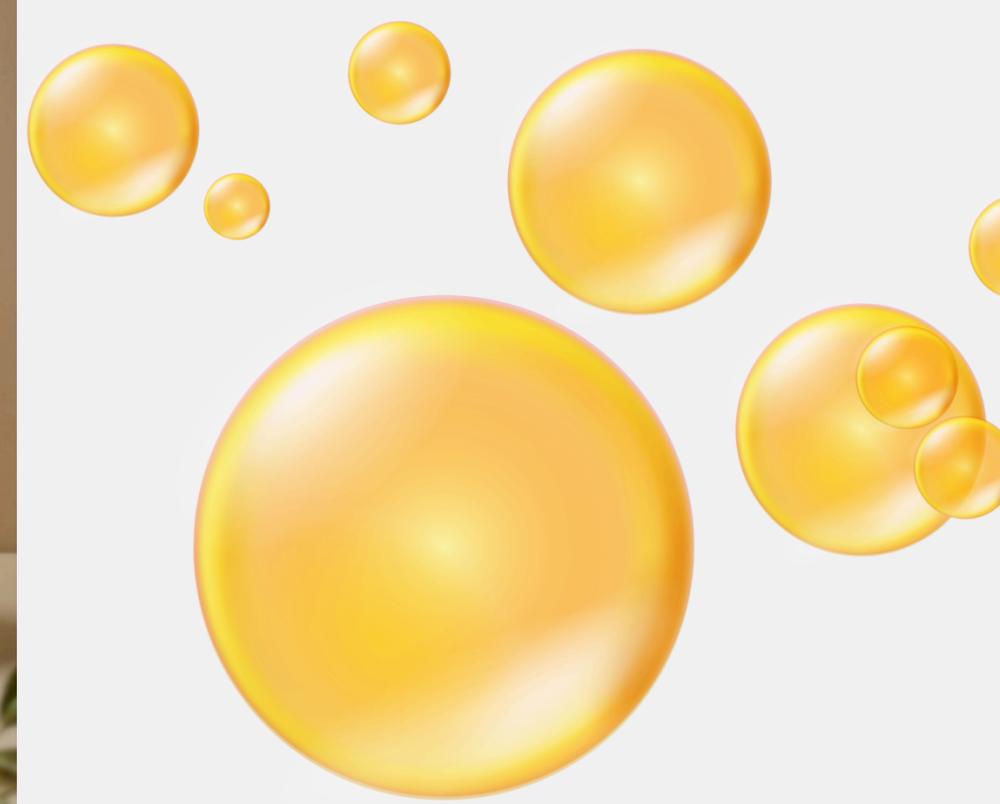

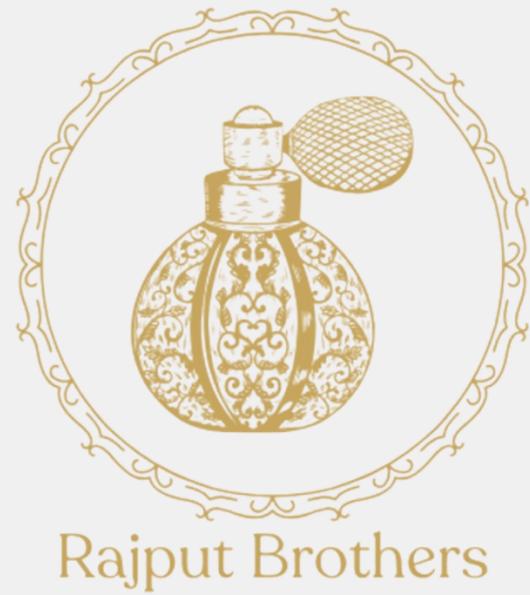

Glass Collection

Modern fragrances presented with clarity and style

Our Glass Collection represents purity, elegance, and contemporary design. Crafted for those who appreciate clean, refreshing, and well-balanced fragrances, this collection blends sophistication with everyday usability.

6ML - Roller

Convenient fragrance for anytime, anywhere

Our 6 ML Roller Collection is designed for those who prefer ease, precision, and portability. Compact and travel-friendly, these roll-on perfumes deliver a smooth and controlled application without wastage.

Rajput Brothers

Essential oils

Pure extracts for wellness and everyday care

Our Essential Oils are carefully sourced and crafted to deliver natural aroma and quality you can trust. Known for their soothing and refreshing properties, these oils are ideal for relaxation, self-care, and daily wellness routines

Rajput Brothers

Shaolin gold hair oil

Golden care for strong, healthy, and nourished hair

Shaolin Gold Hair Oil is specially crafted to nourish the scalp, strengthen hair roots, and enhance natural shine. Enriched with carefully selected oils, it helps improve hair texture while supporting healthy growth with regular use.

Rajput Brothers

About Us –

Rajput Brothers is a brand built on quality, tradition, and trust. We specialize in crafting premium perfumes, hair oils, and essential oils designed to suit modern lifestyles while respecting timeless values.

Our journey is driven by a commitment to delivering products that enhance confidence, care, and personal grooming. Each product is thoughtfully formulated using carefully selected ingredients to ensure long-lasting performance, safety, and satisfaction.

At Rajput Brothers, we believe that fragrance is an expression of personality and hair care is an essential part of daily well-being. From elegant perfumes to nourishing hair oils, our range is created to meet diverse preferences and everyday needs.

With a strong focus on quality control and customer satisfaction, we aim to provide reliable products that customers can trust and enjoy. As we continue to grow digitally, our mission remains the same – to deliver excellence in every bottle.
